FIGHTING IN ALGERIA.

Ten thousand of the fiercest Bouas Nassen tribesmen swooped down on the French camp at Lilla M'ghois, Algeria, yesterday, and were beaten off with a loss of 1,200 killed. The fighting continued for a long time and was conducted on the part of the tribesmen apparently with total disregard for their lives. At one time the French infantry were in danger of being surrounded, but they finally disengaged themselves from their perilous position by a most brilliant charge of the Spahis. The route of the Arabs was completed by vigorous shelling by the artillery. The French loss was eight killed. The Arabs were not discouraged by this severe repulse, but re-formed their forces and, in addition, directed their efforts to routing other tribes. The fighting was resumed yesterday and the booming of cannon could be heard throughout the afternoon. The results of the battle now are unknown at present.

A Methodist Minister Recommends Chamberlain's Cough Remedy. We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proved to be a reliable remedy. We have found that it would do more than the manufacturers claim for it. It is especially good for croup and whooping cough.

REV. JAMES A. LEWIS, Pastor Milaca, Minn., M. E. Church. Chamberlain's Cough Remedy is sold by Gibson & Timberman and W. F. Creighton & Co.

He Fought at Gettysburg. David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took. For several years I had stomach trouble, and paid out much money for medicine to little purpose until I began taking Electric Bitters. I would not take \$500 for what they have done for me." Grand tonic for the aged and for feeble weak men. Great alterative and body builder; best of all for lame back and weak kidneys. Guaranteed by all druggists. 50c.

SOCIAL ECONOMY BUILDING.

"For Virginia" is the motto now in the Social Economy Building, Jamestown Exposition. The illustrated addresses are being planned to further the social welfare movement so active in the leading cities of the State. Steps already taken in Richmond, Norfolk, Roanoke and other cities give promise of creditable achievement during the next twelve months.

Then all Virginia is interested in the child labor exhibit which anticipates the presentation of this vital subject which will be made to the whole State after the close of the exposition. Tuberculosis, too, will receive attention in every Virginia city possessing a live health board, progressive commercial club, or an alert woman's club. This campaign will be pushed along with the big exhibition to be held in Richmond next spring.

As an aid to all of the social activity an interesting programme is offered in the Social Economy Building daily. The finest Coffee Substitute ever made, has recently been produced by Dr. Shop, of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute," says the doctor. "Health Coffee" is really the closest Coffee imitation ever yet produced. Not a grain of real coffee in it either. Health Coffee imitation is made from pure roasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee. Sold by E. S. Leadbeater & Sons.

Ely's Cream Balm has been tried and no found wanting in thousands of homes all over the country. It has won a place in the family medicine chest among the reliable household remedies, where it is kept at hand for use in treating colds in the head just as soon as some member of the household begins the preliminary sneezing or sniffing. It gives immediate relief and a day or two's treatment will put a stop to a cold, which, if not checked, becomes chronic and runs into a bad case of catarrh.
